Mattress Technology

Removable Cover

- Vynmed™ healthcare polyurethane coated vinyl cover
- Heavy-duty zipper on bottom allows for internal mattress inspection & easy replacement
- Fluid protection flap over zipper, designed to direct fluids over and away from the zipper area
- Fluid resistant, anti-bacterial, anti-fungal, stain resistant, antistatic, Conductive
- Non-allergenic, non-irritating, odor resistant, Phthalate Free, Latex Free
- Flame resistant, meets California Technical Bulletin 121 and CFR 1633.

Mattress Core

2 Foam Layers:

- Soft Conforming Foam Layer
- Supportive Foam Base Layer
- All foam is CertiPUR-US certified which means:
 - Made without ozone depleters
 - Made without PBDEs, TDCPP or TCEP ("Tris") flame retardants
 - Made without mercury, lead and other heavy metals
 - Made without formaldehyde
 - Made without phthalates regulated by the Consumer Product Safety Commission
 - Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million)

Secondary Fluid Barrier:

- Assembled between foam and cover
- Unique two-way protection:
 - Protects foam if outer cover is compromised
 - Protects cover by preventing foam's plasticizers from embrittling the fabric, which extends the cover life

Color coded band (identifier)

- Distinguish old mattresses from new or use for departmental identification
- Standard yellow identifier included, red or blue available upon request.

Optional Features Available

- We can make any size needed. Visit our website to Download and submit our stretcher template chart for a quote.

12 month Standard Warranty

- Standard warranty covers material and workmanship.
- Extended warranty available
